## How future queen of Thailand (wearing only a tiny G-string) let her poodle Foo Foo eat cake: As coup rocks Bangkok, video reveals royal couple's decadent lifestyle

A video of the decadent event shot at the Thai Royal Palace in Bangkok shows Princess Srirasmi – a former waitress – cavorting as she feeds her dog cake. In one scene, the topless princess appears to bend over to eat out of a dog bowl, while in another a servant falls to his knees in front of her. Later the royal couple sing Happy Birthday to their dog.
